## JUNE 5th - Meet the Team

	<u>EAST</u>	<u>WEST</u>
9:00	Aldred	Cotton
10:00	Evans	Roper
11:00	Watzlawick	
	Gilmore: Mon. 06/07 6:00 pm	

Best to enter building on south side / lower double metal doors.

Concession is available upstairs. Not to sound mean but if we see there's really no need for it after the second week then we will not have it available.

Drinking fountain is by the lower restrooms - west end. Another set of restrooms is upstairs by the batting cages.

ATM located upstairs on the north side by the concession.

All games on Saturday's on the south field (has hanging net to divide field). **E** = East end is towards Texas Roadhouse. Home team listed first and bats first. **No games:** 06/26 & 07/03

Games are one (1) hour or 3 innings, whichever comes first. If both teams agree, they may shorten the game.

NO food or drinks, except for players water, is allowed on field during games. Teams may bring snacks / drinks for after the game but they must be distributed after everyone is off the field.

Spectators may bring chairs / blankets and sit along the inside wall. Restrooms and drinking fountain are at the west end of the building. Concession is located upstairs. This will only be open provided, and I know this sounds bad, business warrants it.

## Team / Individual Photos: **JULY 10th**

Please arrive at least 1/2 hour before your practice time. We ask that whether you purchase or not, to please show so everyone is in the team photo. Do note that the company we use handles all picture issues. Also when ready, they will mail your photos directly to your home. They're great to deal with and have worked with us for numerous years.

## End of Season team party: **AUGUST 14th** (orders taken 07/31 & 08/07)

Food orders are for PLAYERS ONLY. If you won't be here for the team party you'll receive a coupon good for whenever you wish. Others may order and eat with the players but they would have to go upstairs and place / pay for their order at the concession. Please order early so they have time to get it done along with the rest of the teams order. Let them know which team it's to be included with.
