

Want to keep your kids active during the Winter break? Let us help you with that. Sign them up today for Caledonia Soccer Schools Christmas Camp. Our Camp is the best in town, and is for all types of players – Recreational to Competitive, and all ages – 4yrs to 18yrs old.

The Camp is full of small sided games that allow each player to learn through the game itself. We play several different scrimmages, and game related drills that the kids love.

Caledonia Soccer School is an independent and innovative coaching school. It was formed by Chris Dean and Ross Stride to offer the highest level of coaching available to every player. We are not a Club. Our goal and purpose is development. We want to develop every player we coach to become a better player, whether that is someone playing Soccer for the first time, or a well-established elite player. Every player is treated the same and given the coaching they need to develop into a better player than when they started with us.

Contact us today for prices, information and to register.
