Due to combining the A/B levels, teams may have players on both but true A level players cannot roster or play C or lower.

We have 31 teams this session. Trying to meet everyone's requests for games from 7pm-10pm was impossible. I did the best I could.

Requests are not guaranteed but I make every effort to try. Please look over and report any problems to me **NO LATER** than Wednesday, November 16th.

I also have some **SATURDAY** evening hours available during December if anyone would like to move their game.
