President's Day Weekend*

* Games could be played on Monday, Feb. 20, President's Day

Sports City in Blue Springs, MO, has joined a group of area soccer coaches to offer a fun, competitive tournament with the theme of “**Add Character to Your Game.**” We are excited about utilizing the beautiful game of soccer as a tool to develop the character traits that promote successful life skill sets. Come join us in our pursuit to create an environment conducive to developing young athletes through soccer.

The **Character Classic** is designed to cater to the Division 2 to Division 5 or the B level teams. Divisions of “A” level teams will be formed if enough interested, similar-leveled teams enroll.

The **Character Classic** provides excellent competition for many teams who are searching for a great tournament environment, but a level of play that is appropriate for their team.

The **Character Classic** staff will do their best to develop tournament brackets that match abilities and teams so that each game will be competitive and challenging for everyone involved.
