## Soccer Sharks Academy

Sharks Academy is a fun, fitness filled, soccer skills building program. During, six (6) weekly classes, our goal is to create an interactive, constantly moving, 50 minute class for children to enjoy the sport of soccer. We want our Sharks to go home smiling, happy, and tired!

Makos: 18 months-2 yrs.

Mom and Dad you play too! This class is about getting some exercise, following directions, and learning the basic idea of soccer, a game played with your feet.

Tiger Sharks: 2½ yrs-3½ yrs.

Mom and Dad hang out on the field with us! If you want to play we invite you too, but it helps the kiddos to keep you close. Tiger Sharks learn how to dribble a soccer ball, we score a lot of goals and get a lot of exercise!

Hammerheads: 4 yrs.-5 yrs.

Hammerheads get into the game. We spend a lot of time with the soccer ball at our feet, and play small sided games. We begin learning how to pass & shoot with both feet.

Great Whites: 6 yrs.-8 yrs.

Great Whites work on foot skills, passing, and shooting with both feet. We play a lot of small sided games. If you want to make the transition onto a soccer team, we will help you find a place to play.

Sign up anytime! Classes are pro-rated	Pictures will be taken on March 1 <sup>st</sup> .	Bring a friend to class anytime!	Cost: \$72.00 for 6 weeks of class
